

More Cars Than People

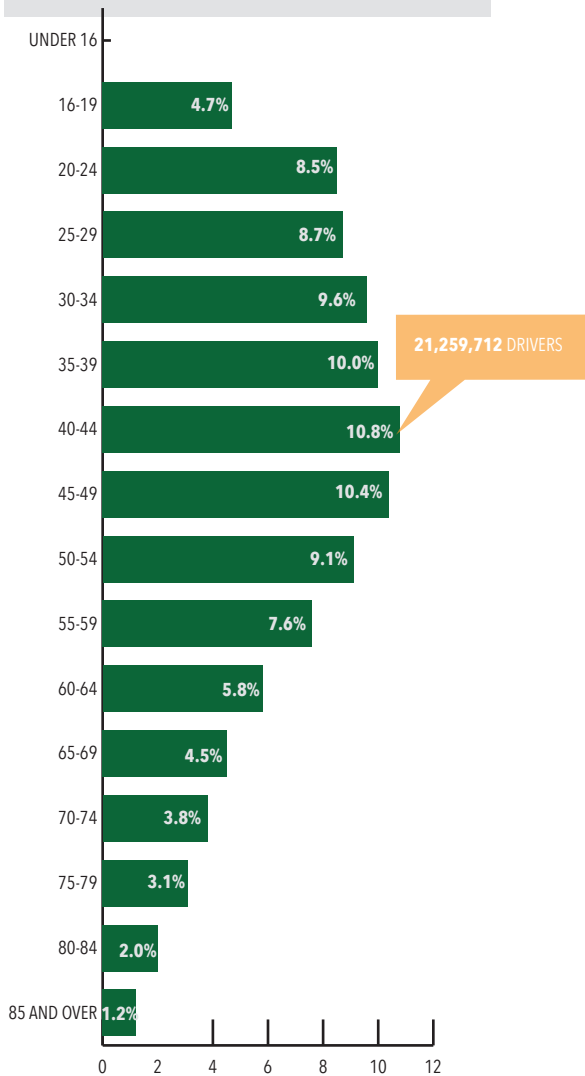

Even Before Considering Population, There are More Cars than Drivers

THE NUMBER OF VEHICLES IS GREATER THAN PEOPLE, IT HAS BEEN SINCE 1972, AND IT CONTINUES TO GROW.

Age Range of Drivers in 2003

THE AGE MAKE-UP OF DRIVERS MAY PLAY A ROLE IN CHANGE IN VEHICLE USE HABITS

Motor Vehicles and Drivers in Direct Comparison Reveals Change

INITIALLY, THERE ARE MORE PEOPLE DRIVING THAN THERE ARE VEHICLES ON THE ROAD, BUT IN 1972 THIS CHANGES
