

# DACA by the Numbers: 3 Facts You Must Know About Youth Immigration Program

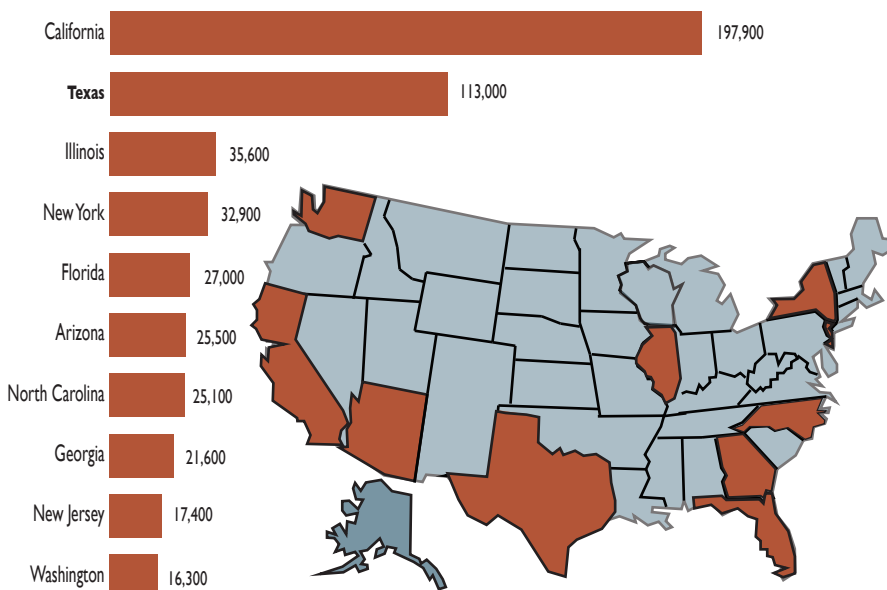

Since it was enacted during President Obama era, DACA has protected nearly 800,000 undocumented youth under 16, so-called “dreamers”, to get job and education. However, on Sept. 9, President Donald Trump called on immediate action to stop processing applications under DACA program, which caused the fate of these DREAMers was now in limbo, leaving the Congress a lot pressure to bring a permanent solution resolving their status.
